

Library News by Bev Weaver

Special thanks to Martha Meade for donating two books to the PPWG library: *Japanese Fishermen's Coats from Awaji Island* by Sharon Sadako Takeda and Luke Roberts and *American Coverlets and Their Weavers: Coverlets from the Collection of Foster and Muriel McCall* by Clarita S. Anderson.

Thanks to Kathleen Orr at Green Valley Weavers for donating two books by Peter Collingwood to the library: *The Techniques of Sprang: Plaiting on Stretched Threads* and *The Techniques of Tablet Weaving*.

Heather Hubbard has made a CD for the PPWG library with photos of antique woven ribbons from the collection of Colorado State University in Fort Collins. The ribbons were examined at a recent 'more than 4' meeting as part of our current study topic.

Duplicate copies of *Complex Weavers Journal* and *Shuttle, Spindle and Dyepot* magazine that were donated last month by Cozy Swickard will be available soon for PPWG members to purchase. Please come back to the library and make your selection. All money from magazine sales will benefit the library.
