Notes from the President

Submitted by: Linda Shaffer

At the January board meeting and business meeting there was a discussion of our newsletter samples. The lack of participation in providing both spinning and weaving samples for the newsletter in a year with lots of other weaving commitments by our guild this year was discussed. The idea of increasing the number of people participating by providing a scanned sample instead of an actual tiny sample in the newsletter was the main point of the discussion. The board was in favor of going to the scanned samples. Many people had opinions and offered ideas. One of the ideas was to have a sample notebook for the guild library with the article from the newsletter and an actual sample. The samples would be large enough to study (a size to fit a plastic sleeve, possibly 6" by 6" or 8" by 8").

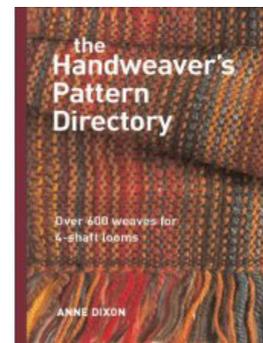

Please give this topic your consideration. We will be voting at the February meeting.

PPWG February Library News

Special thanks go to Linda Shaffer for donating 2 books to the library at the January meeting: The *Handweaver's Pattern Book* by Anne Dixon and *Weaving in the Peruvian Highlands - Dreaming Patterns, Weaving Memories* by Nilda Callanaura Alvarez.

The library list is now available on the PPWG web site. The ID and password to view the library list are the same as you would use to view the current newsletter. The lists were created when the last inventory was done last September and do not include books and magazines received since that date.

If you would like to donate a book or other item to the library, please check the inventory list or give me a call to see if we already have it. I have started a list of books that members have requested we add to the library if you are looking for suggestions for a donation.
