

Library News by Bev Weaver

The guild has recently purchased *Koekboya - Natural Dyes and Textiles - A Colour Journey from Turkey to India and Beyond* by Harald Böhmer. This is a wonderful book about natural dye plants and how they are used around the world. Special thanks go to Table Rock Llamas for making this book available at a discount for our library. Because this book is difficult to obtain and quite expensive, it will be placed with others in the library which require a deposit. To check out any of these special books, you must leave a check for \$200 with the librarian. The check will be returned to the PPWG member when the book is returned in good condition.

We would like to thank Cozy Swickard for donating back issues of *Complex Weavers Journal* and *Shuttle, Spindle and Dyepot* to the PPWG library. Some of these will go into the library and any duplicates will be sold at a future meeting to benefit the library.
